Dear Sir:

RESPONSE TO NON-FINAL OFFICE ACTION

In response to the Office Action mailed February 28, 2003, Applicants respectfully request that the Examiner reconsider the application in view of the following amendments and remarks. The amendments are formatted and presented in accordance with the Revised Format for Amendments promulgated earlier in 2003 by the USPTO.

IN THE TITLE

As suggested by the Examiner, Applicants respectfully request amendment of the title of the invention in the United States Patent Office records. Please replace the title with

--Method and System for Monitoring Resources within a Manufacturing Environment--.
